GETTING A QUOTE FOR A PHR RISER IS EASY

- 1) Tell us the Brand and Model of your Indexer
- 2) Tell us the Brand and Model of your Mill
- 3) Specify EITHER – Riser height
or Centerline Height

POWERHOLD PHR Rotary Table risers are solid steel, with mounting holes and keyway slots for both the machine table and indexer. Ground top and bottom to the precise height you require.

We have in-house designers to handle any requests you have to customize the riser to your special needs
