

2022 Membership Application

Contact information is required for **all** individuals covered by a membership category. If multiple people are to be covered, please complete an application for each individual.

Membership Terms:

- Membership is active for one year following receipt of application/payment. A membership will expire one year later, on the first day of the month your original application was received.
- You must be a member in good standing in order to receive the member rate for any CRPA programs/events. Failure to remit payment for membership will result in trainings being invoiced at nonmember rates.
- If membership is paid through a town/organization, the membership is held by the town, **not** the individual. In the event a person has left a position within a town/organization, name substitutions will be allowed. If a membership is paid by a personal check, the individual will hold the membership.
- A \$25 per month service charge will apply to any accounts with a balance due one month from program/training/event.
- By submitting this application, you agree to receive emails from CRPA's Constant Contact and SimpleList accounts as the email address provided below. You may opt out of this subscription at any time by clicking the unsubscribe link included in any of the emails. You also agree to allow your contact information to be included in the online membership directory. Associate members agree to have their contact information published on the online Buyers Guides.
