

VIRTUAL EPI-PEN & MED ADMIN TRAINING

CONNECTICUT
RECREATION & PARKS
ASSOCIATION

Wednesday, June 8 **OR** Thursday, June 9
(participants must choose one date)

EPI-PEN (\$42) 6:00 - 7:00 PM: Epi-Pen training will teach you to recognize signs and symptoms of severe allergic reaction and understand appropriate handling, use, and disposal of an epinephrine auto-injector. Municipalities are authorized by the State to have staff certified in Epi-Pen administration without taking the full medication course. This certification is good for 1 year.

Note: This course requires demonstration of the injection skill using a training injector which can be purchased from a variety of sources online, including Amazon - search for "epi pen trainer". Alternatively, trainers can be found [here](#) or [here](#). Following the course, the participant should video record themselves demonstrating the skill and email the recording with their name and date of training to crpa-video@communitycamps.com. Once this is received and reviewed, the final course completion certificate will be sent out.

MED ADMIN (\$47) 7:00 - 8:30 PM: The CT Department of Public Health mandates that all youth camps administering medications to campers comply with the requirements set forth in CT statute and regulations. Learn what this means for your camp and become certified to dispense medication at your camp site. This certification is good for 3 years.

BUNDLE & SAVE! REGISTER FOR BOTH COURSES FOR JUST \$60!

REGISTRATION INFORMATION: **If registering more than 10 participants, please use additional forms.*
