However, when an individual has made a significant and meaningful impact on their work place or community, special recognition is called for. The "Hidden Hero Award" recognizes and celebrates that incredible contribution as well as their outstanding dedication to CRPA, its members, and the State of Connecticut. These Heroes have instilled confidence in a supportive and positive way and selflessly taken on multiple responsibilities beyond what is expected by showing innovation and adaptability in solving problems and creating solutions. This award will be presented periodically to an individual who has done extraordinary work to improve a CRPA event, program, or initiative and is deserving of special recognition which may otherwise not be commended through CRPA's traditional awards categories.
