

ASSISTANT COMMISSIONER OF PARKS, RECREATION, AND CEMETERY
DEPARTMENT OF PARKS, RECREATION, AND CEMETERY
CITY OF WORCESTER

The City of Worcester is seeking qualified applicants for the position of **Assistant Commissioner of Parks, Recreation, and Cemetery** for the Department of Parks, Recreation, and Cemetery. Under the direction of the Commissioner of Parks, Recreation, and Cemetery, this position is responsible for the direction, coordination, development, and administration of services in the Department of Parks, Recreation and Cemetery. The Assistant Commissioner will represent and exercise the Commissioner's authority in their absence. The position is engaged in the planning and directing of operations, maintenance, and construction of all City parks and park facilities, playgrounds, athletic fields, aquatic facilities, city beaches, outdoor skating rinks, and recreational buildings, as well as the golf course, cemetery, urban forests and open spaces. This position shall formulate policy and program recommendations for the Commissioner's approval in the areas of internal management of the department (personnel, financial, and budgetary) along with development, implementation, monitoring, and evaluation of capital projects, comprehensive programs for seasonal and year-round recreational activities for persons of all age groups, and department priorities.

Bilingual applicants are encouraged to apply.

ESSENTIAL ELEMENTS:

- Advise and make recommendations to the Commissioner on the supervision, direction, and administration of the division's programs, facilities, and functions.
- Assist the Commissioner in the preparation of the department's budgets and in monitoring the department's financial statements.
- Allocate personnel, supplies, and equipment to the various divisions and programs of the department.
- Supervise personnel. Meet regularly with the division supervisors of Parks, Forestry, Cemetery, Golf Course, Administration and Recreation to ensure department policies and programs are implemented.
- Assist the Commissioner in developing, presenting, and justifying departmental capital projects, and review proposed improvements to recommend necessary modifications that ensure all facilities and parcels meet required safety, quality, and professional standards for municipal park, cemetery, and urban forestry construction. Recommend and administer the award and implementation of contracts concerning matters under the responsibility of the department and payable from funds appropriated to the department.
- Represent and respond for the Commissioner at Parks & Recreation Commission meetings, Urban Forestry Tree Commission Meetings, Hope Cemetery Commission Meetings, City Council Meetings, City Council Sub-Committee Meetings, public meetings, forums, conferences, and committees.
- Assist the Commissioner to prepare and present speeches and talks for radio, social media, or general audiences to explain or interpret department activities, procedures, and programs.
- Coordinate the completion of and the implementation of the Park Master Plans, Open Space & Recreation Plans, the Hope Cemetery Master Plan and the Urban Forest Master Plan.
- Seek out and secure grant funding for various department programs and services.

- Coordinate with and technically support the Department of Public Facilities, Department of Sustainability and Resilience, Department of Public Works, Department of Transportation & Mobility and all other departments to improve the City of Worcester.
- Assist the Commissioner in the administration of the care, custody, repair, and maintenance of City Parks, Hope Cemetery, Urban Forest, Green Hill Golf Course, Auditorium and other facilities as needed. This shall include facility security, maintenance, renovations and other tasks as assigned.
- Assist the Commissioner to inform the public about Hope Cemetery and forestry programs and systems.
- In the absence of the Commissioner, the Assistant Commissioner shall assume the duties of Commissioner in accordance with the responsibilities of the head of department as set forth in the Revised Ordinances of 2015 Part Two – Organization of City Agencies - Article 19 Department of Parks, Recreation and Cemetery.
- Assist the Commissioner in the management and administration of winter weather operations, weather events and emergency operations.
- Other duties shall be performed as required or as assigned by the Commissioner.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES:

- Extensive knowledge of the objectives and principles of public recreation, parks management, cemetery management, forestry operations, golf course management, capital project develop & implementation including a thorough understanding of the facilities and equipment needed in all areas.
- Ability to work independently and be a self-starter.
- Ability to interact effectively with members of the public, other department personnel and staff.
- Ability to plan, organize, coordinate, and direct the activities and personnel of the department.
- Ability to interpret and implement the policies of the department for both the employees and the public.
- Ability to prepare annual reports on the administration for the City Manager, the Parks & Recreation Commission, the Hope Cemetery Commission and the Urban Forestry Commission.
- Knowledge of and ability to interpret related local, state and federal laws and regulations pertinent to position functions.
- Knowledge of municipal accounting procedures, procurement and techniques, tracking and managing budgets and other financial operations.
- Knowledge of standard Human Resource practices with specific understanding of Union based labor.
- Ability to perform multiple tasks in a detailed, organized, and timely manner.
- Ability to work with highly confidential, sensitive department files.
- Ability to conduct independent research and to prepare detailed, accurate operational reports and written correspondence.
- Proficient skill in the operation of a personal computer and office equipment and proficiency in Microsoft Office Suite.
- Ability to use GIS software, CMR systems, HRM systems, Recreation Permitting Software, Urban Forestry Software and Cemetery Software.
- Proficient written and verbal communication skills.
- Ability to establish and maintain effective working relationships with department staff, other City

Departments, those doing business in the city as well as regulatory authorities.

- Familiarity with equipment, pesticides, turf management, cemetery operations, aquatic operations, memorial care and snow removal.
- Proficient customer service skills.
- Basic understanding of reading and interpreting geographic maps and street maps.
- Ability to pass CORI/SORI background checks.
- Regular onsite attendance is required.
