CMCC, NRCC & Friends

I would like to thank all of the members and their wives from both clubs including volunteers that worked so hard to make our ALL Corvettes car show a success. This was a team effort from everyone involved and without your dedication it would not have been possible. In addition, I would like to recognize our CMCC Car Show committee that stepped up to all the challenges involved. A special thanks to our Life Members for their tireless support.

Also, I would be remiss if I didn't recognize the amazing support from our Sponsor's. Without them our success would not have been possible. I have included their names below:
