Clinton – A Great Place to Start:

A mixture of small town quaintness and historical charm make Clinton a great place to start: a visit, a vacation, a business, a family. Whether you are visiting for the first time or have lived here all your life, we trust you will find our community to be warm and friendly.

Start with our history: Yale got its start in Clinton. The Liberty Green Historic District invites you to walk back in time with stops at Old Brick and the Stanton Museum, as well as our many antique shops.

Start with recreation: from the town beaches and marinas to the two large recreational complexes and many trails through land trust forests, there is a wide variety of outdoor activities. Clinton's natural harbor is fed by three rivers coming to join Long Island Sound behind the shelter of Cedar Island. Visit any of our many marinas for a beautiful view of the water. Enjoy the fresh seafood at many of our fine restaurants, or sample some of the other cuisines available from American to Italian to Chinese.

HISTORY
The name Killingworth was derived from Kenilworth, England, when the town was named in 1667. The town originally extended to Long Island Sound. The area of the present town, which was settled about 1710, was organized in 1735 as the parish of North Killingworth. The southern portion, which had been settled in 1663, was separated in 1838 and became the town of Clinton.
