"Thoroughly cooking meats, poultry, seafood, shellfish, or eggs reduces the risk of food borne illness."

Welcome to Our Mom's Place

Our Mom's Place began in December 2010, when Mom, Shelly, was up for a challenge. As owner and operator of a Hair Salon with no restaurant experience, a challenge it was. Singe mother of 2 teenage boys, she was ready to go.

Our Mom's Place is a family-owned and operated business. Mom's son Michael, now 26 is the full time cook, and older son Matthew is now 28. Matthew is married to our full-time waitress Elizabeth. Matthew and Elizabeth just became parents to the most beautiful baby girl Emilia Rose. Mom is a very proud "Grandma."

We are proud to be very involved in fund-raising for Dana Farber Cancer Institute, The Jimmy Fund & Breast Cancer Research. We have a Pan Mass Challenge Team that rides 190 Miles for a cure. Our staff rides 190 Miles, walks 60 Miles and climbs 22 floors for research. We hold an annual Meat-on-a-Stick every May to raise these funds.

Have we mentioned your birthday is FREE and you always have a chance of "Getting Forked" when you join us. You will have to come on in for details at "OUR MOM'S PLACE."
