10 Reasons

You will receive 10 free trees when you join The National Arbor Day Foundation

You Should Plant Trees ... Now!

- Trees conserve energy in the summer, and save you money. Properly planted trees can cut your air-conditioning costs by 15-35%.
- Trees help clean the air. Trees produce the oxygen we breathe, and remove air pollution by lowering air temperature, through respiration, and by retaining particulates.
- Trees bring songbirds close by. Birdsong will fill the air as trees provide nesting sites, food, and cover for countless species.
- Trees around your home can increase its value by up to 15% or more. Studies of comparable houses with and without trees place a markedly higher value on those whose yards are sheltered by trees.
- Trees help clean our rivers and streams. Trees hold the soil in place and reduce polluted runoff into our waterways.
- Trees conserve energy in the winter. Trees can slow cold winter winds, and can cut your heating costs 10-20%.
- Trees fight global warming. They remove carbon dioxide from the atmosphere, the major contributor to the threat of global warming.
- Trees make your home, and your neighborhood, more beautiful. Trees mark the changing seasons, and add grace and color.
- Trees are fun! Planting and caring for trees can be a great family and community-building activity.
- It's easy! Here's how: Join the nonprofit Arbor Day Foundation and we'll send you 10 trees... FREE... with easy-to-follow planting instructions.

When you join you'll receive 10 flowering trees—2 Flowering Dogwoods, 2 Flowering Crabapples, 2 Goldenraintrees, 2 Washington Hawthorns, and 2 American Redbuds, or other trees selected for your area. You'll also receive the Foundation's colorful bimonthly *Arbor Day*, a membership card, and *The Tree Book* with tree planting and care information. Your six to twelve inch trees are guaranteed to grow or they'll be replaced free of charge. Trees are shipped when conditions are right for planting in your area. February through May in the spring or October through mid-December in the fall.

To receive your free trees, send a \$10 membership contribution to 10 Flowering Trees, The National Arbor Day Foundation, 100 Arbor Ave., Nebraska City, NE 68410, or join online at arborday.org.

Join now, and plant your Trees for America!
