**Friedrich's OPTIK**  
 We have never considered Friedrich's a brand or a label. Friedrich's is a family and throughout our history since our founding in 1816 we've sought to do away with the distinction between patron and family friend. Our priority is to offer the highest quality frames that reflect the individual distinctive taste and personality of our clients.  
 Every frame is handmade in Germany, Switzerland and NOW right here in Washington, CT by our own dedicated craftworkers, enabling us to address and precisely fit each and every unique need and preference of our customers.
