The map shows the town of Guilford, Connecticut, with its major roads and landmarks. The green area is located in the center of the town, near the intersection of the main road and the road leading to the green area. The map includes labels for roads like Route 95, Route 1, and various local streets. A red box highlights a specific area in the center, and a red arrow points to it from a label. The map also shows the location of the Guilford Green area, which is highlighted in green.
