

FEBRUARY 22-26, 2021

16th Annual HOPE FOR HAITI Fundraiser

YOU ARE INVITED!

We are SO disappointed that we will not be together in person this year. Like most non-profits we are having a tough time - we need your support more than ever. Keep reading to find out what we are doing in Haiti and to find out how to participate in the fundraiser!

HOW CAN YOU HELP?

EDUCATION

\$55 sends a younger child to school for one month.

Linorah Dorcine is 8 years old and in the 3rd grade. She loves to write and is so happy to have the opportunity to go to school.

FAK (Advancing Women Now)

\$140 supports a woman for one month.

One participant was able to expand her peanut butter business by purchasing a grinder which enabled her to increase her production. The most remarkable thought she had was that she believed the program was a miracle sent from above because with this expansion she could purchase a wheelchair for her physically challenged daughter!

WIN

CLINIC

\$400 funds a health agent for a month, \$100 for a week.

Telemaque has been working for Outreach to Haiti since the 2010 earthquake. At that time Outreach made the decision to send health agents into the vast surrounding neighborhood to identify people who needed medical help but perhaps didn't realize it or know about our clinic. The agents also teach best practices for sanitation, deliver vaccines, follow-up on patients, etc. Over and over it has proved to be a life-saving investment!

NUTRITION

\$245 (or \$35/month) funds a 7 month program to bring a child back to health.

Marceline came to the clinic **severely** malnourished. Can you believe that we can't even take children medically deemed "moderately" malnourished due to lack of funds? Although she was so sick our 7-month program saved her life. Behind them is their home with the entry covered by a sheet. It's the size of a small closet containing only a blanket on the floor covered by a mosquito net where all 3 of them sleep. But her Mom and PROUD Dad are just glad to have her healthy thanks to the care she received at the clinic.

DONATE – send in your donation – either by mail or online. We are SO grateful for your support!

WATCH – SEND your email address to spetruzzi@comcast.net or with your donation. Each of the five nights (Feb. 22-26), at 7PM, we will send you a link to watch a short video about one of our programs – NO MORE THAN 5 minutes, we promise!

BID – take a look at the silent auction – golf foursomes, ski chair, wine basket, Hebert's Candy basket and much, much more. Go to www.biddingowl.com Click on "Featured Auctions" --- enter "Outreach to Haiti" in the "search auctions" space – start bidding!

WIN – two \$25 gift cards will be raffled each night. Winners will be announced in the nightly email. A donation will enter you into the raffle drawing – whether sent in by mail or made online.
