

# AZZENTA

## SPARKLING BRUT

### Tasting notes

Fresh, lively and cascading bubbles burst from the glass in this elegant and fruit-driven No Alcohol Brut Sparkling wine. Azzenta Brut displays hints of lemon, peach and strawberries, counterbalanced by a great and well-balanced acidity and a delightfully dry finish.

### Winemaking

Our winemakers carefully craft this Sparkling wine using traditional methods, then the spinning cone process gently removes the alcohol while preserving the delicate aromas and flavors.

### Pairing

Light seafood and pasta dishes, soft cheeses and fresh veggies. It's also great paired with dark chocolate, or simply on its own on any occasion.

### Ingredients

De-alcoholized wine, grape must, water, carbon dioxide, citric acid, malic acid, natural flavors.
