

AZZENTA

ROSÉ WINE

Tasting notes

Scents and flavors of strawberries, green melon and orange blossom burst from the glass in this delicious and extremely refreshing rose' wine.

The elegant floral tones are well-balanced by a crisp yet round acidity and a lively, refreshingly dry texture.

Winemaking

Our winemakers carefully craft this gorgeous rosè wine using traditional methods, then the spinning cone process gently removes the alcohol while preserving the delicate aromas and flavors.

Pairing

Grilled chicken or vegetables, creamy cheeses and cheese spreads, and salty nuts. It's also great paired with creamy pasta dishes, or simply on its own on any occasion.

Ingredients

De-alcoholized wine, grape must, water, citric acid, malic acid, natural flavors.

All the fun and none of the consequences!

Let this delicious wine delight your palate for any occasion.
